

# Plasson Health & Safety Policy

## This is the Health & Safety Policy Statement of Plasson UK Ltd

In accordance with the Health and Safety at Work Act, 1974 both the employer and employee have a legal responsibility to ensure workplace practises and methods employed are safe. We are collectively and individually responsible for the safety of all persons who come in to contact with the Company, its products and service, including our customers and the general public.

We, the management of Plasson UK Ltd, and staff are totally committed to a policy of compliance with the requirements of the Act and will do all that is reasonably practicable to adhere to it.

Employees have a duty to take reasonable care of themselves and of others and to participate actively in the operation of this policy.

### Our statement of general policy is:

- To provide effective control of the health and safety risks arising from our work activities.
- To consult with our employees on matters affecting their health and safety.
- To provide and maintain safe equipment and personal protection equipment.
- To provide information, instruction and supervision for employees.
- To ensure all employees are competent to do their tasks, and to give them adequate training where required.
- To ensure full compliance with all occupational health and safety legislation.
- To prevent accidents and cases of work related ill health.
- To maintain safe and healthy working conditions whilst adhering to the applicable statutory requirements and provide a framework for setting OH&S objectives.
- To review and revise this policy where necessary at regular intervals.
- To ensure all staff and contractors working on our site utilise safe working methods at all times.

All Plasson UK Ltd management and staff are responsible for ensuring that this policy is implemented efficiently & effectively.
